SLEEPLESS NIGHTS
BECAUSE OF HIM

For convenience's sake, I put this here. It's my last chance to write in this volume.

'Idol-sama no Yoru no Okao' is my 9th manga. I drew this after I left my parents' house and moved to my own place in Kansai. The new environment made me anxious, but a lot of people here have helped me out, so I managed to finish it.

I want to say 'thank you' to everyone. I'm really grateful.

Because I want to become even better at this, I'm moving to Tokyo.
If you have any thoughts, please let me know about them.
